

GRPD

Global Research & Publishing Database

As part of the GRPD top-tier [publication network](#), all articles are published online with rigorous peer review, ensuring global accessibility, research integrity, and enduring academic impact.

Manuscript Submission Guidelines

1. SUBMISSION PROCESS

Authors are invited to submit their manuscripts online via our official submission portal. Please visit the portal website at <https://grp.org> and navigate to the '[Manuscript Submit](#)' section from the main menu.

2. MANUSCRIPT PREPARATION

- Manuscripts must be written in clear, concise English.
- The file format should be Microsoft Word (.doc or .docx).
- Font: Times New Roman, Size: 12 pt, Line Spacing: 1.5.
- The manuscript should include:
 - Title Page (Title, Author(s) Name, Affiliation, Email)
 - Abstract (250–450 words)
 - Keywords (3–6 words)
 - Main Text (Introduction, Literature Review, Methodology, Results, Discussion, Conclusion)
 - References (APA Style preferred).

3. ORIGINALITY AND PLAGIARISM POLICY

Submissions must be original and not previously published or under review elsewhere. All manuscripts will be checked for plagiarism, and submissions with a similarity index higher than 40% may be rejected.

4. PEER REVIEW POLICY

All manuscripts undergo a double-blind peer review process. Authors may be asked to revise their manuscripts based on reviewer comments before final acceptance.

5. COPYRIGHT AND LICENSING

Upon acceptance, authors are required to transfer copyright to the Global Research & Publishing Database (GRPD). The journal follows an open-access policy, ensuring that published articles are freely available online.
